

## MASTER'S TOUCH *Tips*

### *Our tips for you!*

News for the autumn season from the fascinating world of LA BIOSHETIQUE.

**01 Dry Hair Conditioner** – the deep-conditioning special care makes very dry and brittle hair velvety soft and silky in just a few minutes. With gentle mango stone oil and active ingredients from avocado. Black oat substances smoothen and strengthen stressed hair structures.

**02 Traitement Corps** is a highly effective cell-active anti-aging care for the body. Active ingredients from Siberian ginseng, white lupin and Chlorella algae supply the cells with new energy and improve skin thickness and firmness. A special active ingredient from papaya refines the skin and makes it extremely soft to the touch.

**03 Fluide Volume** by Dermoshétique is a "hair filler" that gives fine, lifeless hair more stability, volume and lift. With structure-improving active ingredients from wheat and a hydroactive substance for increased softness and elasticity.

**04 Curl Defining Cream** shapes frizzy hair structures into beautifully defined curls without weighing down the hair or robbing it of its lively bounce. Deeply moisturises the hair and precious argan oil gives the hair brilliant shine.

**05 Smart Liner Just Black + Pearly Brown** makes applying eyeliner child's play, which is important because eyeliner is a real must this season. The fine nylon tip ensures maximum drawing precision for perfect presentation of your eyes.
