

## Introducing the new Curl Care Line!

### Making Waves!

Curly hair is full of movement. Quirky, vivacious and sometimes totally untamed when expressive curls are replaced by uncontrolled frizz. In Addition, curly and frizzy hair is often dry because the natural care substance from the scalp sometimes have problems getting through the curls to the tips.

Curl by La Biosthetique gives the hair precisely what it needs – gentle care and light hold, elastic bounce and exciting style.

### CURL CARE SHAMPOO

Very gently cleanses the hair without attacking its natural protective substances. Moisturises and provides wonderful shine. Unwanted frizziness is reduced

### CURL ACTIVATOR

Activates the bounce and elasticity on curly, slightly frizzy hair, after washing. A special combination of active ingredients provides light hold and transforms frizzy hair into beautiful, shiny curls. Apply to damp or dry hair.

### CURL SAVER

A spray to boost your curls between washes. Refreshes flat curls in the morning gives them a springy vitality. Provides lots of valuable moisture and seals it into the hair shaft. Unwanted frizziness is avoided and the curls remain well defined all day long.

### DEFINING CREAM CURL

Deeply moisturise the hair plus precious argon oil provides extra shine and softness. Frizzy structures are defined into large curls without weighing the hair down. Ideal for brittle and thicker hair.
